

RIVERSIDE GHOSTS

Riverside Ghosts are a four-piece Glasgow band playing the best of 80s post-punk, new wave and alternative music. From The Cure, The Clash and The Cult to Talking Heads, Elvis Costello, R.E.M., Echo & the Bunnymen, Simple Minds and David Bowie, our live set combines familiar favourites, alternative classics and less obvious gems.

Based in Glasgow, the band is available for pubs & clubs, venues, festivals, parties, events and support slots across Scotland and beyond.

80S CLASSICS. WITH A DIFFERENCE.

Our set takes a different route through the 1980s — huge songs, cult favourites and alternative classics from some of the decade's most influential artists, creating a show that works equally well for dedicated music fans and audiences simply looking for a great night out.

A flexible set built around great songs, big hooks and plenty of character — music with personality, guitars, great songwriting and attitude.

Flexible set lengths

We can tailor our set to meet your requirements. From a 45-minute support or festival set to a full evening of two 60-minute sets or three 45-minute sets.

Self-contained setup

We can provide PA, backline and lighting for suitable small to medium-sized venues and events.

Professional and easy to work with

Clear communication, straightforward arrangements and a set tailored to suit your event.

A set that works for audiences

Recognisable favourites, alternative classics and plenty of songs that get people singing and dancing.

Technical requirements and stage information are available directly from the band
