

RIVERSIDE GHOSTS

80S CLASSICS. WITH A DIFFERENCE.

Our set takes a different route through the 1980s — huge songs, cult favourites and alternative classics from some of the decade's most influential artists, creating a show that works equally well for dedicated music fans and audiences simply looking for a great night out.

A flexible set built around great songs, big hooks and plenty of character — music with personality, guitars, great songwriting and attitude.
